

First Hydro U14's Rugby Tournament 2011

Colwyn Bay U14's 10 Linlithgow 0

Bays first game was against the International visitors, who had had a busy weekend of rugby on their annual tour. The game started with some ferocious tackling by both sides, trying to get that vital upperhand. Bay managed to score first with some good recycling by the forwards from the ruck over 3 phases before shipping it out to Joe Pitts who used his strength and speed to crash over the try line. Linlithgow fought valiantly back, winning plenty of ball themselves and it was only great tackling by Bay that preserved the lead. Bay sealed the match late on when a break from a set piece by Harri Chinery-Parkes found space for a score in the corner

Colwyn Bay U14's 5 Bro Ffestiniog 10

Bays next game was another tough affair which Bay started well, with virtual control of the opening 5 minutes, leading to Jake Wilson scoring after the Bay forwards managed to get quick, clean ball released from a scrum and the ball shipped swiftly to the centres. Bro to their credit came straight back at Bay scoring almost immediately to level the scores and after the game ebbed and flowed for several minutes a break away from a spilt ball led to Bro scoring the winner. Despite Bay being camped in the Bro 22 for the last few minutes they were not able to break down the defence any further

Colwyn Bay U14's 15 Llangefni 0

Needing to win the last game, Bay controlled much of this game from the outset, showing a great determination and maturity in their play to progress to the Cup Semi Finals rather than the Plate. With a line out on their own 5m line, Llangefni threw in, but the ball was brilliantly intercepted by Bay player of the day, David Edwards, for him to storm over for the opening score. With their tails up, Bays' backs and forwards began to link and support each other well, and Connah Harding scored two quick tries to seal the game, the first with a break through the Llangefni back line and the second running around their centres.

Cup Semi Final Colwyn Bay U14's 5 Nant Conwy 10

Bay were unlucky not to progress to the final, having dominated much of the possession and territory in this key clash with local rivals Nant Conwy. Bay deservedly took the lead with prop David Edwards seizing on the end of a maul to dive over the line. Despite all the possession though, Nant scored two break away tries from their speedy backs who capitalised on some space out wide to seal their place in the final
