COLWYN BAY RUGBY CLUB
UNDER13s MID AND SOUTH WALES RUGBY TOUR
19TH MARCH TO 21ST MARCH 2010

Can I take this opportunity once more to thank you and your staff for the excellent hospitality extended to us on the above dates on our annual tour which took in the Wales v Italy international rugby match.

The 22 children and four coaches had a great time on tour and an integral part of that pleasure is getting a school on a Friday that can give us a good game of rugby played in the sporting spirit that the game was built on.

I would like to give a special mention to Mr Anwar Akram Head of Chemistry for his hosting of the event and making the players feel so welcome. His personality at Eirias School in Colwyn Bay and also in the front row of the scrum at CBRFC is greatly missed in equal quantities. As discussed with Mr Akram I gather you are hoping to come to North Wales on tour in the autumn of 2010 and please take this letter as your invitation to make our club your first call.

Please pass on all my thanks to the staff and please feel free to print this letter and put it on your children's notice board so that all the other children and staff tangibly see the wonderful welcome that you all provided.

We look forward to meeting you again.

Many thanks

Martin Kane
